

Weststar acquires 4 choppers worth RM150m

LANGKAWI — Weststar General Aviation, a company within the Weststar Group of Companies that provides private aviation charter services, yesterday signed a contract for the order of three AgustaWestland helicopters, one AW119Kx, one AW109 Grand New and one AW169 at the LIMA Exhibition 2015. The order for the three new generation AgustaWestland helicopters is worth RM90 million. With the addition of the three helicopters, Weststar General Aviation will now start operating AgustaWestland helicopters for executive/corporate transport services. In a separate ceremony, Weststar also signed a contract with Sikorsky for the purchase of one S-76D VIP helicopter worth RM60 million. This latest contract brings the total number of helicopters operated by Weststar Group to 54.
